

Request third party service

Steps to follow

- 1 Enter the customer's card number.
- 2 Ask the customer for their name and the address where the card is registered to verify that it is theirs.
- 3 Ask the customer which third-party service he/she wants and select it.
- 4 Obtain the customer's location.
- 5 Ask the customer if he/she needs another third party service. If so, repeat the steps 3-4.
